16TH World Transplant Games – Bangkok

The Bangkok games were a huge success for NZTGA. A staggering total of 24 medals is a new record for us. Special mention to Linden Kenyon on her personal medal count, 2 silvers and 3 bronze medals in the swimming pool – go Linden. Gold medals were won by Jason Dellow, Ian Patterson, Alan Power and Jim Doyle. Congratulations to all medalists. But the biggest praise of all goes to each and every person who made the trip to Thailand. All the supporters and family, Helen Gibbs our medic and most of all Sheryl Power our team manager helped make it so memorable.
